

# The Creation of a National Air Force

Second in a projected 4-volume series on the history of the Royal Canadian Air Force (RCAF). The 4 volumes cover the RCAF from before its start on April 1, 1924. They continue until it was absorbed into the tri-service Canadian Armed Forces on February 1, 1968. This volume is about how the RCAF became a national institution.

## The Creation of a National Air Force: The Official History of The Royal Canadian Air Force, Volume II
